Dear Prof. Ariadni Stogiannidou,

Greetings from Beihang University!

We are pleased to announce that application is open for Chinese Government Scholarship of 2017.

Since the 1950s, the Chinese Government Scholarship has been provided annually to support overseas students taking full time degree studies in China. The scholarship covers tuition, accommodation, living allowance and medical insurance in China. I would also like to share the information that all postgraduate courses at Beihang can be given in English.

Based on our valued partnership, we would like to offer a total of 2 scholarships to students officially nominated by your university. Applications are required to reach the International School of Beihang **by post before March 25, 2017**. Meanwhile, a recommendation list should be sent to international@buaa.edu.cn to ensure that these applications be given prior consideration.

Thank you for your attention. We look forward to receiving applications from your students.

Yours sincerely,
