

INTERNATIONAL AND EUROPEAN SOCIAL LAW

IMPORTANT ANNOUNCEMENT FOR ERASMUS STUDENTS AND UNDERGRADUATE GREEK STUDENTS

Dear all,

I hope you are well and healthy. I know we are all going through some very difficult times and we need to stay strong and stay home. Some of you may have already returned to your countries. It is a pity that you will not be able to experience life in Thessaloniki but you can always come back when this difficult period is over.

Switching to online courses is not an easy task both for students and professors. But I am sure we can make it. I will make some changes in the course syllabus to adjust to an online course.

Please check that you have a working AUTH username and password to join the elearning course. There is online material at elearning.auth.gr under the Law School course International and European Social Law (ERASMUS). If you have problems with this ask support@auth.gr

I would like you to follow the facebook group: International and European Social Law - Spring 2020. Here is the link:

<https://www.facebook.com/groups/495246381157248/>

Please ask to join if you have not already done so.

I will post powerpoints and record my voice on them and I will have some skype meetings with you mostly for discussion and questions after I have given you study material. The time schedule for skype meetings will be on Mondays between 2-4 pm Greek time when we normally have classes. I will let you know on the fb group and elearning course about the exact dates of these online meetings.

Please check regularly your fb group and elearning course for further material and information and do not hesitate to contact me for any questions or problems you might have at akkonsta@law.auth.gr

Stay strong!

Stay home!

Anna-Maria Konsta
